To
Mr. Professor Selmer!

After a month at farm near Logg
Hart Bank of - 27. June, 1861
I have been thinking of having
your specimen - your birds
sent to me by the steamer for
England - your of my son & Mrs.
your - also had some by and to the
agency - your name was the
Garden's specimen for me when
you were your Eymour's New York.
Your names at the Club of me
were the first for at which the
1. I feel of interest to have at the
other with your name, and the

of few shall be sent forward and
of all that you in my judgment can
be in them to be sent to the
Mansfield St, and Cambridge,
by the next day, now you will
be at home & at this for the
Dollman & being your & Sunday
I am, & G, to you as usual
I am to be sent forward to you
I am to you Sunday. -

My dear friends in my opinion you
are to be sent forward to you
now you know in the best way, with
be a private letter to me
for the day Sunday & Cambridge & G.

Just as you are to be sent forward
I am to be sent forward to you
now, now with my friend to
be sent forward to you, from
I am to be sent forward to you

to you with my friend.

My dear friends in my opinion you
are to be sent forward to you
now you know in the best way, with
be a private letter to me
for the day Sunday & Cambridge & G.

With your friend

to be sent forward
to you with my friend
